Medications to treat Opioid Use Disorder are the most effective tools in helping people achieve success and get healthy. Medications for opioid use disorder treat the cravings of opioid withdrawal. This list is comprised of walk-in clinics that offer same-day on-site Buprenorphine inductions that are available across King County. For a complete list of all locations that provide these medications go to https://www.warecoveryhelpline.org/moud-locator/.

The following locations are available for drop-in appointment:
